

## **Birla Carbon achieves a 'Gold' rating by EcoVadis for Sustainable Business Practices**

[Birla Carbon](#) has been awarded the Gold level rating by EcoVadis, an independent sustainability rating agency. This recognition confirms Birla Carbon's position as an industry leader in advanced sustainability practices and reporting and places it in the top **5%** of companies rated by EcoVadis. The rating was provided after reviewing Birla Carbon's sustainability practices, which are now available in our 12<sup>th</sup> sustainability report, [Sustainability in Action](#).

Commenting on this rating, John Loudermilk, President & Chief Executive Officer, Birla Carbon, shared, "Sustainability is at the core of everything we do at Birla Carbon, and this recognition underscores our commitment to innovation and circularity across our global operations. We remain steadfast in our efforts to enhance our sustainability performance, with a particular focus on achieving net zero carbon emissions by 2050." He further added, "I extend my gratitude to the entire Birla Carbon family for their dedication to our purpose to 'Share the Strength.' Together, we strive to be a trusted partner for our customers, a responsible member of our communities, and a provider of a safe and supportive workplace for our employees."

Birla Carbon scored in the 96<sup>th</sup> percentile of all rated companies on EcoVadis. Scores were maintained in the Environment, Labor & Human Rights, and Sustainable Procurement categories. We continue to work towards implementing sustainable practices and solutions and aim to leverage the EU CSRD to progress our sustainability reporting.

### [About EcoVadis](#)

The methodology by EcoVadis is built on international sustainability standards, including the Global Reporting Initiative, the United Nations Global Compact, and the ISO 26000, covering 220+ spend categories and 180+ countries. The Sustainability Scorecard illustrates performance across 21 indicators in four themes: Environment, Labour & Human Rights, Ethics & Sustainable Procurement.
